SPICES

About Us :

Since 1967 established, Golden Masala has made history in the world of spices & become **favourable amongst housewives and chefs** in each corner of India due to its **excellent taste and quality**.

Few reasons to choose Golden Masala :

- **AN ISO 9001: 2008 certified company**
- **Registered with FSSAI (Food Safety & Standards Authority of India)**
- **Registered with HACCP (Hazard Analysis & Critical Control Points).**
- **Golden Masala is also certified with AGMARK Standards.**

From our establishment in 1967, we have seen many changes but didn't make any compromise with quality and purity because our **prime motive is to serve products keeping in mind People's health and fitness**.

We are manufacturing various kinds of **Masala with deep essence of taste, flavor, and aroma** with our long term expertise in this segment, **we are happily doing exchanges of recipes all over in India and share ranges of blended and basic spices to Indian Housewives**.

As we are the leading manufacturer of spices in India, we also believe in supplying **best quality at affordable cost** that meet to budget of citizens of all classes. Our company "Golden Masala" always trust in quality and hygiene and pay deep attention towards selecting raw materials, **hygienic process and premium packaging**. We inspect the spices ingredients before processing. After our successful marketing in India, we are looking towards expanding our manufacturing units and markets in all around the world.

Mission :

Striving to achieve fitness in all our attempts, we are proud to create prolonged value of our large community. Our key mission is to make the state of superiority in good worth with respect to quality services and products. Keeping in mind the necessities of our customers, our team of experts always give their best efforts in lab to manufacture the best quality and eminence.

Vision

Golden Masala has a vision of becoming the leader in the hub of innovations and caters the best quality and purity with the drive of creativeness, out of the box thinking and doing things in latest, better and efficient way. Perfectness with premium quality is our prime motive and helps us to be on track to generate affection towards people through our spices products.
